Online Giving and Security

Pastor Justin

2020 has been a ride. We have seen and experienced things we would have never imagined. Within the walls of the church, we have been impacted by the events of the year and had to make changes: online services, radio broadcasts, parking-lot services and everything in-between. One of the challenges with all of this has been the way we give within the church.

About a year ago, we opened up online-giving at Apple River Community Church. When we did, it could not have been imagined how important this might be to the finances of the church. It has provided opportunity for many people to give who would be unable to do so otherwise. But **there is still a question out there... How does it work?**

Let me walk you through how to give online.

1. Go to the church website APPLERIVERCHURCH.ORG
2. Click on the **BLUE** button that says, "GIVE ONLINE" (it is near the top of the page)
3. Click on "choose a fund" and select "General Giving"
4. Enter your Dollar amount in the box beside it... (\$25,000 would be great!)
5. Then you pick whether you want to give it from a card or from your bank account

To give from a card – just enter your card information in the lines below

- a. Your name
 - i. Card number
 - ii. Date on card
 - iii. CCV number is the 3 digit code on the back of your card
 - iv. Then fill in your address information
 - v. Click BLUE submit button at the bottom
 - vi. **There is a verification to make sure you are not a robot... you** will have to pick pictures that match a description to verify you are real (two times)
 - viii. DONE!

The online giving is a secured site. The giving is managed by EASYTITHE.COM. Here is some information about the security protocols they use in their services:

PCI DSS Compliance & Security

As required by the PCI Security Council and all processing banks, easyTithe is a Level 1 Certified PCI Compliant Service Provider. This means easyTithe conforms to the highest set of security

standards in the payment card industry. Your account managers, end users, and easyTithe employees will never have access to the type of sensitive information that might lead to an unauthorized transaction.

SSL Transaction Security

easyTithe uses 256 Bit SSL technology for data transactions. All personal, credit card, & bank information is submitted using 256 bit encryption. There is no stronger form of protection than this encryption and by doing this, we eliminate the possibility that someone might "tap" the line and extract your personal data from it. 256-bit SSL encryption has never been broken and according to RSL Labs, it would take a "trillion-trillion years" to crack the code using today's technology.

The Data Center

Our data center upholds security measures to rigorous standards. Proximity card entry, camera-recorded server room access, and a perimeter security system all protect the data center facilities. These security components ensure only employed, certified Server Engineers have direct access to the data center and individual servers. This restricted access ensures maximum security when maintaining, upgrading, and troubleshooting servers in the racks.

You are more likely to have your mail stolen out of your mailbox than you are to have your information stolen from these guys. Even still, if you are leery about online giving, I'd encourage you to use a Credit Card. There is fraud security in every card, and you can cancel and refund credit card transactions easily. If you are really concerned about online security and someone stealing your identity, I'd recommend signing up for a service like "LifeLock." (This provides a whole other level of personal security for all areas of your finances and protection. It helps eliminate identity theft for all individuals. Did you know, even if you are not using online services, you still can have your identity stolen? LifeLock helps protect against these situations. Come find Justin if you want more information about this security.)

Online giving isn't hard. You might really like it. But you are welcome to continue to give as you have through the years. I just wanted you to be aware of how to use this option.

Justin

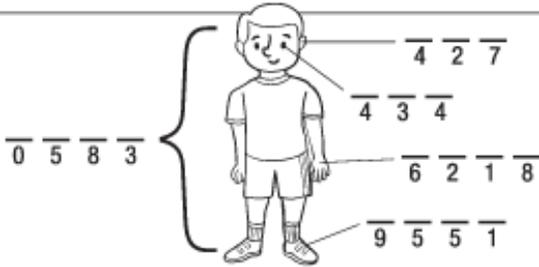

WORKING IN UNISON

Just as body parts work in unison, the church – the body of Christ – is to work together for God’s purposes.

Directions: Fill in the letters for each body part. Add up each part’s number total, and use those totals to complete the Bible passage.

Now if the _____²⁰ should say, "Because I am not a _____¹⁷, I do not belong to the _____¹⁶," ... And if the _____¹³ should say, "Because I am not an _____¹¹, I do not belong to the _____¹⁶," it would not for that reason stop being part of the _____¹⁶. If the whole _____¹⁶ were an _____¹¹, where would the sense of hearing be? If the whole _____¹⁶ were an _____¹³, where would the sense of smell be? ... As it is, there are many parts, but one _____¹⁶.

January Mission of the Month — EFCA Kaylee Tracy in Berlin
Please keep Kaylee and the work she is doing for EFCA in Berlin in your prayers.

An ongoing goal

Still searching for a New Year’s resolution? None is more worthy than becoming Christ-like. In fact, 19th-century evangelist Henry Drummond calls it “the only thing in the whole world worth caring for.”

Two modern-day authors offer more insights. Stormie Omartian points out that we’re either making progress or backsliding on this goal. “There is no neutral position in the Lord,” she writes. “You are either becoming more like Christ every day or you’re becoming less like him.” And followers of Jesus must keep the goal always in focus. Christ-likeness is our “eventual destination,” writes Rick Warren, but the “journey will last a lifetime.”

Live in the light

Often we want to be able to see into the future. We say, “How will next year be for me? Where will I be five or 10 years from now?” There are no answers to these questions. Mostly we have just enough light to see the next step — what we have to do in the coming hour or the following day.

The art of living is to enjoy what we can see and not complain about what remains in the dark. When we are able to take the next step with the trust that we will have enough light for the step that follows, we can walk through life with joy and be surprised at how far we go. Let’s rejoice in the little light we carry and not ask for the great beam that would take all our shadows away.

—Henri Nouwen, *Bread for the Journey*

Numbering our days

To fix what they call a disorganized date-tracking system, professors Steve Hanke and Dick Henry have developed a “permanent calendar.” On it, January 1 is always a Monday, so holidays and birthdays occur on the same day every year. The 364-day calendar eliminates leap years, time zones, Halloween and every Friday the 13th. Instead of leap days, “every five or six years, we’ll have an extra week at the end [of December] when you can party,” says Henry.

Because the permanent calendar is predictable, it reportedly would save money and time. Yet despite almost two decades of work, the idea hasn’t taken off.

However we track our lives, we do well to remember this prayer: “Lord, you have been our dwelling place throughout all generations. ... Teach us to number our days, that we may gain a heart of wisdom” (Psalm 90:1, 12 NIV).

Hospital Calls: If someone is hospitalized, please contact Pastor Justin and/or Pastor Bruce.

The deaconesses also need to know so they can visit, send cards, etc. Our deaconesses are Judy Nelson, Linda Wetzig and Carol Smith.

Because of HIPPA laws, hospitals do not call when a member is admitted. We would rather have several calls about a hospitalization than not to know. Thank You!

A word for the year

Every January, some people pray and ask God to provide a word for their year ahead. Friends have shared theirs with me, but I was hesitant to embrace the practice myself. I'd love to receive a word like *flourish*; then again, I might be like the friend who heard *health* and then faced many physical challenges that year.

But I tried it for 2020 and heard *prepare*. My first reaction was that the word wasn't very exciting, which possibly confirmed I hadn't orchestrated it. Indeed, 2020 ended up full of significant, unexpected change for our family, with careers, school, church and friends. *Prepare* reminded me that amid chaos, God had prepared me for each moment and continues to prepare me for what's next.

Give it a try! Regardless of the word you receive or what lies ahead, you can trust that God loves you and is ultimately in control for 2021 and beyond.

Proposed Constitution Changes

The Deacons have been in discussion about making some large-scale changes to the constitution since 2019. We started with the question of "How do we best organize ourselves so it matches Scripture and fits our congregation?" Our current constitution acknowledges a problem within the first few words of the constitution, "The deacons of Apple River Community Church will function as Elders." Bruce and I have discussed this and we both agree that an Elder lead church is the most scriptural mode of church operation. However, when the 2010 constitution change was rolled out, the congregation didn't want to have Elders, so they created Deacons who function as Elders. This doesn't make a lot of sense. Why not just have Elders in the church?

The 2010 constitution change came about from a series of events in the old board that allowed individuals to function "unchecked" and created a division within the church. As such, the constitution was re-written to remove the temptation for a "power-grab" to happen again. But in doing so, we created the problem of Deacon-Elders and removed the influence of women in leadership. This has led to a different division where men lead some areas of the church and women lead others areas of the church. A communication barrier is created and a different division is formed.

So, we have sought to bring unity back into the church board and represent all areas of ministry. The best solution we have come up with is to follow the biblical practice of the establishment of Elders over a community of believers according to what Paul taught Timothy to do in his ministry. We wrote the constitution to represent an Elder Board and a Leadership Board. The Elders are 3 men plus the pastor. The elected Elders will serve with term limits and undergo Elder Training to be eligible to serve. They serve on the Leadership Board to ask the question, "Is what is being proposed scriptural and honoring to Christ?" The Leadership Board will be comprised of Finance, men, women, and children's ministries, mission's, deacons and deaconess, trustees and a few other ministries of the church. The function of the Leadership Board is to "organize and communicate the practical ministry of ARCC."

We have postponed the vote on the new constitution to February to allow more time to discuss what the Deacons have been discussing since 2019. We really believe this is the best option for ARCC and would like to hear your questions and thoughts. Please come by during any of our discussion times. Please know, we have been revising this constitution for a long time but there are still some things you might see that we need to address. When we meet in February, we won't have much time for discussion at that meeting, so PLEASE DISCUSS and READ the proposal PRIOR to our meeting.

It is our anticipation that with your input, we would be voting to approve the new constitution in February; therefore, we will vote at our annual meeting to postpone the election of new officers until after the constitution has been ratified. If the constitution is not ratified, we will vote after the constitution vote for officers to fill previously held positions. This is done to allow for more discussion time around the constitution. It was hoped that we could have done more of this discussion during the summer of 2020; however, 2020 was a difficult year and that didn't happen.

Please prayerfully read the constitution. Acts 14:23, 20:28, 1 Timothy 3:2, 3:1-16, 5:17, Titus 1:6-9, 1 Peter 5:1-4 will give you some insight about Elders. They are different than Deacons (1 Timothy 3:8-13, and Acts 6:1-7). Come to any of the meetings scheduled. They are at different times on different days to accommodate different schedules. You don't have to come to all of them, pick one that works the best for you. The last one on the 30th, will be for wrap up and summary of what the other meetings presented.

In Christ,
Justin

Saturday Jan 9 at 9AM for discussion about the constitution.

Monday Jan 11th at 10AM for discussion about the constitution.

Saturday Jan 30 at 10 AM for round table discussion about the constitution.

| 3. Go | Life |
| 4. Evil | Come |
| 5. Adults | Bad |

Match the opposites and then write the word in the right-hand column in the correct blanks to finish each verse.
