## Words, Careful How You Use Them

*Pastor Justin*

Proverbs 17:27 The one who has knowledge uses words with restraint, and whoever has understanding is even-tempered. 28 Even fools are thought wise if they keep silent, and discerning if they hold their tongues.

In 2010, 2 zettabytes of information was consumed by users world wide off computers. To put it in perspective, 1 zettabyte is  $10^{21}$  bites or 1 Billion terabytes. This is very large. Some of the newest and most capable computers have 1 terabyte worth of storage, so you would have to picture 2 billion of the newest most powerful computers completely full of information in one year.

But that isn't even the most amazing part, since 2010, the 2 zettabytes has blossomed to 79 zettabytes consumed in 2021. That is equivalent to 10 powerful computers being completely filled by every person on the planet in one year. Or 15,675,063 copies of the Ripple being made every year... 42,945 per day... 1,789 per hour... 30 every minute... one every 2 seconds... **PER PERSON FOR EVERYONE ON EARTH EVERYDAY!**

Where does all this information come from? Short answer, it comes from us. The world is full of people talking and short of people listening. Solomon was right when he said, "Be warned, my son, of anything in addition to them. Of making many books there is no end," Ecclesiastes 12:12. Today we might add, "Of the making of videos, there will be no end."

It seems that everyone wants to share their thoughts. Books are written, articles published, videos produced, all in an effort to share thoughts with the world around us. In ages past, when it cost more to produce these items, more wisdom, care, and critical thought were given to what would be made. But with the advances in publishing and technology, anyone can share with the world what they are thinking. And we often think we will be heard by the vast quantity of words we use.

But scripture teaches something different. The wise individual knows that it is in the restraining of words that they become most effective. It isn't good to fly off the handle when you hear something you disagree with. Even those who are fools can appear to be wise by holding their tongue at times.

How are you doing with carefully weighing your words? How are you doing about taking in words from others? Sometimes we let garbage into our ears, and then garbage comes out of our mouth. Are you taking in the words of the wise or just listening to those who yell the loudest? Look for wisdom and be discerning.

Our help — past, present and future

This month, America marks the 20th anniversary of the 9/11 terrorist attacks, which ended almost 3,000 lives and changed life forever for millions more. The nation was shaken to its very roots, with violence jolting out of us any assumption that "it can't happen here." September 11 banished any lingering notion that being on the side of "liberty and justice for all" served as insulation against mass tragedy. We now had more to fear than fear itself.

Psalm 46 reminds us that "though the earth should change" (v. 2) — as it did on 9/11 — God remains "our refuge and strength, a very present help in trouble" (v. 3). We are never alone or without hope, even on life-altering days.

How have God's presence and power sustained you through life's changes? How might sharing your story help someone else when their world or faith gets shaken?

PUZZLE: Answer on Pg. 6 The Bible Quiz, puzzle, cartoons and articles are from NewsletterNewsletter to which we subscribe and have permission to reproduce

One of the best things about heading back to school is the chance for a fresh start. A new year, new teachers, perhaps even a new school offer students the opportunity to try a little harder and do a little better than the year before.

Praise God that he allows us to always start over. Jeremiah writes that the Lord's mercies "are new every morning" (Lamentations 3:23a). With God's help we can begin each day with a clean slate and a new attitude, determined to make some changes for the better.

### Bible Quiz:

## Everybody, Somebody, Anybody and Nobody

This is a little story about four people: Everybody, Somebody, Anybody and Nobody.

There was an important job to be done, and Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it.

Somebody got angry about that because it was Everybody's job. Everybody thought that Anybody could do it, but Nobody realized that Everybody wouldn't do it.

It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.

**NOTE:** One of the jobs to which this may apply is Greeters. The Nobodies greeted a couple Sundays in August. Thankfully Somebody stepped in to fill the Nobody spot that Anybody could do..

A friendly greeting to welcome people when entering church is essential.

How about being a Somebody and signing up for a Sunday?

## Youth Groups

of One-Way and Impact as well as MOPS Start September 8

This year the elementary kids will continue to be called One Way Club, and the Middle School and High School group will be called Impact. Everyone will eat at 5:30, then the Impact group will move to the garage for their games, music, and lesson, and the One Way Club will meet in the sanctuary for their own games, music and lesson. Kids can still earn tokens by attending and dressing up in the theme each week, as well as by bringing a new friend and memorizing Bible verses. Tokens can be spent at the "store" at the end of the evening, and club will be done at 7:30 pm.

Another big change is that our MOPS (Mothers of Preschoolers) group is combining with our One Way Club time on the 2nd Wednesday of each month. The moms and their kids will eat with everyone, then the moms will have their discussion time while the older preschoolers join in with the One Way Club activities. Erin Hosking is finding volunteers to staff the nursery for that 2nd Wednesday each month so the kids 2 and under have loving people to care for them while the moms meet. This change was made because we had several working moms who wanted to participate in MOPS and couldn't make a daytime meeting. MOPS also plans to meet on the 4th Saturday of the month for an informal moms and kids playdate.

If you are willing to help with the nursery for MOPS or with One Way Club— kitchen help, sitting with kids during the lesson, help with young kids, running the music slides, listening to verses - see Erin Hosking or call her at 715-554-4797.

**We appreciate your help!**

Due to HIPPA laws, hospitals do not call when a member is admitted.

#### Answers

Answers to prayers come in various ways, sometimes in minutes, sometimes in days. And some take years to fully unfold the harvest of love and blessings they hold. Answers to prayers come in various forms, sometimes in sunlight, sometimes through storms. Some blossom early, and some blossom late, but each one will flower — have faith and wait!

## Hangout at Dan and Carol Smith's

Pastor Isaac Karpenske

On Friday, August 13th, many of the kids from grades 6-12 to young adults from the Next Gen ministry gathered at Dan and Carol Smith's place on Bear Trap Lake. Before I reflect on the event, I'd like to make a special thank you to Dan and Carol Smith for graciously opening up their home and for the wonderful food. I'd also like to thank the volunteers that helped with organizing the event as well.

The first thing I'd like to say is that the food was great, especially Carol's barbeque sandwiches, and the kids had fun with the games and swimming. One notable highlight from the night was that there were two volleyball matches where it was guys versus girls. In both matches, the girls walked away with the win. I gave a brief devotional around the campfire in the evening to encourage the kids to go into the school year radiating the love of Christ. In a brief summary, Jesus summarized my main point best in His Sermon on the Mount: "let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven" (Matt. 5:16 ESV). It was awesome to see the kids after not seeing many of them for the entire summer. I'm looking forward to what God has in store for the youth ministry at ARCC this coming year.

## Project Impact: Changes to ARCC Youth Ministry

Pastor Isaac Karpenske

Change can be a good thing for us; however, we often resist change. Sometimes we fall into a routine that makes us passive with ministry because it's "familiar" or "comfortable" or "the way things have always been done." But according to God's will, changing the tempo of ministry in the church not only has the potential for more room for growth, but also creates ministry opportunities that bring glory to God.

That being said, after meeting with the volunteers for youth ministry at ARCC, there will be some changes that I pray bring glory to God and growth in the church. For some that don't know the history of youth ministry at ARCC, One Way was first formed in 2013 for grades Pre-Kindergarten through Seniors in high school. Since then, One Way has grown to a healthy number and continues to grow.

Even when growth takes place, frustrations still come to the surface. Questions on engaging both the older kids (grades 6-12) and the younger kids (grades pre-K-5) came to the surface at one of our youth ministry meetings during the summer.

To answer questions on engaging both groups to participate in an authentic worship experience, I decided to create two different groups within ARCC Youth. Grades pre-Kindergarten through 5th grade will remain as One Way, but grades 6th through 12th will be a different group called "Impact". The theme verse for this new group is 1 Timothy 4:12, which is: "Let no one despise you for your youth, but set the believers an example in speech, in conduct, in love, in faith, in purity" (ESV). My goal in creating Impact is for middle-schoolers and high-schoolers to make an impact in the schools and in the community, being impacted by the Gospel of Christ and equipped by God's Word.

To help with this process, we are remodeling the garage so that Impact will have their own space for ministry and fellowship. This will be called "The Shop". This construction project has been spearheaded by Dan Lundgren and a bunch of great volunteers. Lord willing, The Shop will be complete before ARCC youth ministry starts up for the school year. If you have any further questions or would like to know how to get involved, please let me know.

Let's keep our youth and young adults in your prayers. Pray for the One Way and Impact groups this coming school year, as well as Next Gen young adults.

Saturday, September 11: Baptism at Hoskings. Let Pastor Justin know if you want to be baptized.
